Change of Parent Nights for Elementary Orchestra Recruitment

At the beginning of each school year, members of the String Orchestra faculty visit elementary schools to present a brief concert introducing the String Orchestra program to fifth grade students. This year, members of the String Orchestra faculty were scheduled to visit elementary schools on September 4-6. Our orchestra faculty was able to successfully visit and play for students at many elementary schools on Tuesday and Wednesday, September 3 & 4. However, due to school cancellation for inclement weather on Thursday and Friday, September 5 & 6, the school visitation schedule has been revised.

To encourage parent support of their child’s desire to participate in the elementary Orchestra program, a series of Orchestra Parent Nights are held at the middle or high schools in each attendance area. **Due to the delay of school visitations, some Orchestra Parent Night events have been rescheduled. Please review the revised schedule. The changes are highlighted in yellow.**
